What you get: We can customize packages with varying numbers of subjects, or focus your preparation on certain subjects depending on your comfort level.

We will provide detailed critical responses for your essays in writing and return them to you within a set time frame (depending on how many you submit at a time). The details and responses will be self-explanatory and will completely answer any questions you may have about the substantive law and recommendations on how to repair the portions of the exam which are deficient.

Costs: Costs for a per-essay review are **\$59 per essay**. Packages in bulk can be purchased for **\$550 for 12 essays** or **\$950 for 24 essays**. You can also reserve time to discuss your essays with the tutor, upon purchasing one of the bulk essay packages at the rate of \$185 per hour (normal rate is \$200 per hour). (all private tutoring time must be pre-paid prior to the meeting time).
